PATROL AREA: Northern sector of Tsavo East NP, northern boundary & Gazi

### MAP OF ILLEGAL ACTIVITIES

## SECURITY & INCIDENTS

### PATROLLING 10/08/14

The team spent several days desnaring and patrolling the kyaerock area, which is a hotspot for bush-meat and ivory poaching

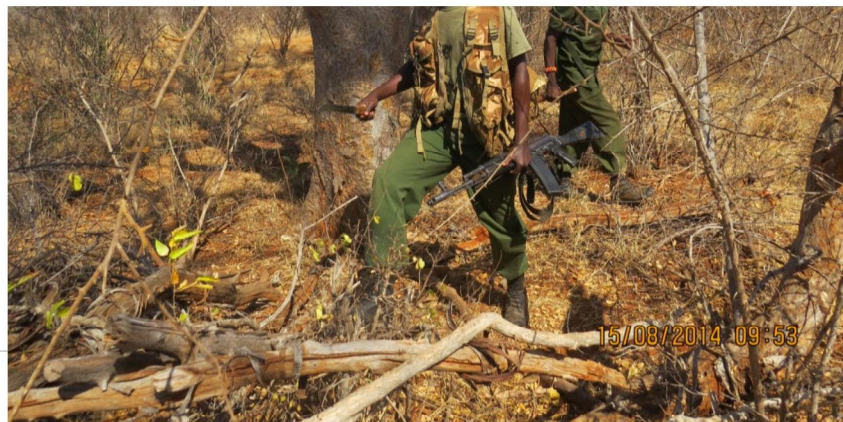

### ELEPHANT TREATMENT 14/08/14

The Ndovu (Ithumba) unit supported the Tsavo Vet unit darting and treating an injured elephant near the new ithumba camp

### SHOOTING PLATFORM 15/08/14

The Ithumba team destroyed a shooting hideout found in the Roka area, set to target elephants

**ELEPHANT CARCASS**  
21/08/14

The Ndovu (Ithumba) team found a 2 week old elephant carcass within the Roka area, its tusks were already taken by a poacher

**ELEPHANT TREATMENT**  
21/08/14

The team worked with the DSWT helicopter and Tsavo Vet Unit in treating an injured elephant with an arrow wound in the Roka area

**SHOOTING BLIND**  
26/08/14

A shooting blind was found within the Machokombo area and destroyed so it couldn't be used to target elephants

LEOPARD TRAPS  
29/08/14

Leopard traps and other poaching apparatus were dropped by escaping poachers operating in the Umbi area
