

# JANUARY 2014

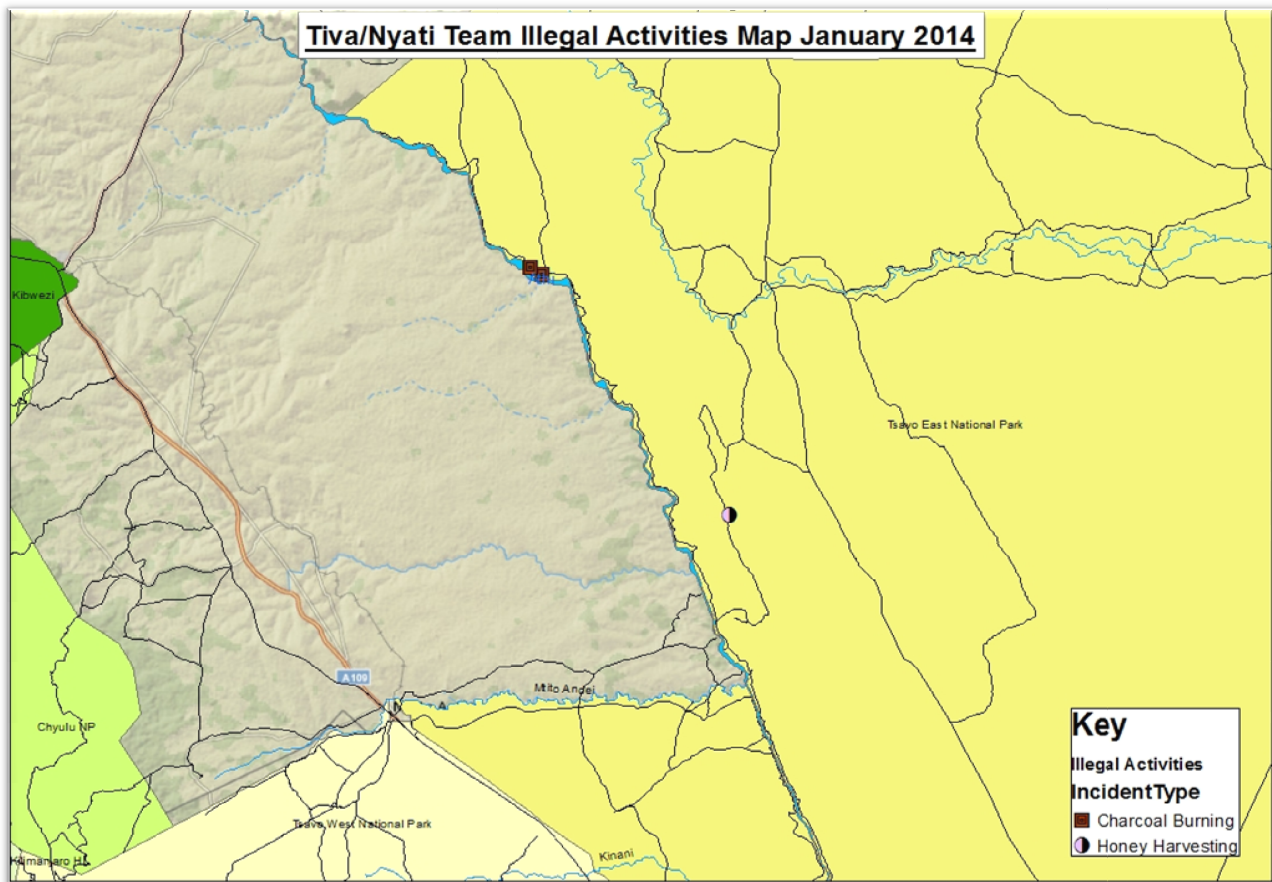

## TIVA TEAM

**PATROL AREA:** Northern sector of Tsavo East NP with a focus along the Tiva River

### MONTHLY SUMMARY

The Tiva team escorted the DSWT veterinary unit based in Voi to a case of a arrowed elephant bull in the northern area this month. The Tiva team along with the Ithumba team helped Dr Poghon in the darting operation where unfortunately the bull was euthanized due to such severe injuries whilst the tusks were recovered by the Kenya Wildlife Service. The team during the month also made 5 arrests of charcoal burners and poachers.

### TIVA UNIT MONTHLY DATA MAP
