

APRIL 2014 ITHUMBA TEAM

PATROL AREA: Northern sector of Tsavo East NP, northern boundary & Gazi

MAP OF ILLEGAL ACTIVITIES

SECURITY & INCIDENTS

ELEPHANT CARCASS
06/04/2014

The team found an old elephant carcass with its tusks already missing. Poaching is presumed as the cause of death

SNARED DIK-DIK
18/04/14

The Ndovu (Ithumba) unit found and released a dik-dik which was still alive and was recently caught in a small wire snare.

ELEPHANT TREATMENT
19/04/14

The Ithumba team supported the DSWT Vet Unit in treating an elephant that had many arrow wounds. Sadly after treatment the elephant died

POACHERS ARRESTED
23/04/14

The Ndovu (Ithumba) team worked with the Tiva team in arresting two notorious poachers during a set night raid

POACHER ARRESTED
24/04/14

The team once again joined forces with the Tiva team in arresting a known poacher
