

JULY 2017

MOBILE TEAM

PATROL AREA: This team is mobile and works where it is needed the most

DAYS ON DUTY: 31

SECURITY & INCIDENTS

HONEY HARVESTING
3/7/17

Illegal honey harvesting was found in the Park. Harvesting honey this way kills trees and creates bush fires

POACHER ARRESTED
4/7/17

The team arrested a poacher during an ambush at night. He was found in possession of a piece of ivory

DESNARING A BUFFALO
17/7/17

The team removed a snare from a live buffalo with the vet unit in the Park which had been struggling for some time and was very weak

BUSHMEAT POACHING
19/7/17

The team found a bushmeat poacher's camp with dikdik carcasses and poaching equipment in the Park

ELEPHANT CALF RESCUE
21/7/17

The team rescued a young elephant at the Maktou community area with help from the Aerial Unit

ELEPHANT CARCASS
27/7/17

The team found an elephant carcass, its tusks had already been removed by poachers

CHARCOAL KILN
30/7/17

The team found a fresh charcoal kiln in the Park and destroyed it

LIFTING SNARES
30/7/17

The team collected a number of small/medium wire snares set in the Park
