KIBWEZI/MAMBA TEAM**

Kibwezi/Mamba Team Patrol Report for December, 2013

Monthly Summary

The Kibwezi Team, led by Sam O, patrols the Trust-managed Kibwezi Forest on the side of the Mombasa/Nairobi Rd. Foot patrols during December resulted in one arrest of loggers who were handed over the Kenya Forest Service in Kibwezi. Otherwise little signs of any illegal activity were found. No crop raiding elephants were reported in the surrounding communities, indicating that the Trust funded fence line has served well during the period where crop raiding elephants are normally active.

The Kibwezi Team patrols on foot every day. Large numbers of buffalo were reported this month, along with sightings of two leopards.
