De-Snaring Report for March, 2012

Monthly Summary

At the beginning of March the Burra Team experienced a tragic incident while on Patrol during which 2 KWS Rangers were shot and killed by armed poachers. As a result KWS temporarily withdrew joint operations with DSWT, leaving Mtito Team unable to Patrol inside the National Parks. The Team therefore concentrated much of their efforts on Trust Land and other private Ranches nearby.

The Mtito Team would like to extend their condolences to the family of the KWS Rangers who lost their lives as well as to all at KWS who mourn for their colleagues.
