Monthly Summary

The team resumed from off-duty on the 16th of this month. The desnaring activities are yet to resume following the KWS suspension on all DSWT Teams operating in the National Park. The team therefore joined efforts with the Ithumba team in supplying the road casualties who are working on the various roads with water and food rations. The team leaders attended a First Aid course at the Nairobi headquarter where vital knowledge on first aid was imparted to us.
